Weather chased most of the volunteers away. Saturday Den & Sha cleaned the south side of 54. Sunday Den, Neil & Sha cleaned the north side of 54. 6 bags of trash total, a lot of fun and laughter.

The cleanup will continue for Rt 41 next Saturday August 19, 2017, Please be ready Saturday.

Den & Sha will not be available next weekend to help. Please do not let Michael down as Como needs volunteers to complete this mission.

HIGHWAY CLEAN-UP CONTINUES THIS SATURDAY AUGUST 19th.

We erred on the side of caution since it had been raining last Saturday morning, and we weren't sure how muddy and slippery it would be.

Since it cleared after we broke up, some of our volunteers decided to carry on later in the day! Now only half of our assigned area remains, and this should go pretty quickly with four volunteers.

Last Saturday the volunteers who had already signed up agreed to meet again 9 am Saturday August 19th to finish off the clean-up.

Please contact me if there are any questions.

Freelance journalist seeks interviews with Lake Como members on nudist living

Natasha Bin (profile at: www.linkedin.com/in/natashabin/) is writing a story on naturism for the Brazilian websites www.bol.uol.com.br and www.uol.com.br. Both are very popular in Brazil, with an audience about 50 million people per month. Natasha says:

“The main point of the story is to introduce to Brazilian readers this lifestyle that we can’t see there. So, I am planning to organize the article with some topics like: information about the place (houses, people, amenities), ideology behind the community and the lifestyle, rules, prices, events.

“I would like to interview people to know why they have chosen to live in the place and how their day-by-day is like. It would be nice to listen about the naturalism ideology and to get some stories that could make my article more interesting.”

Como members wishing to be interviewed by Natasha may contact her at nah_bin@yahoo.com.

**“NO VETERAN
LEFT BEHIND!”**

When: September 28-30, 2017

**Where: The Concourse Rotary Pavilion
Pasco Safety Town
12010 Alric Potterburg Road, Spring Hill**

**Why: To provide help to homeless U.S.
veterans to “combat” life on the street**

The “hand up, not a handout” philosophy of Stand Down requires the work of countless volunteers, businesses, and local, state and national organizations. Organizations will be available to provide direct services (including medical, dental, spiritual); ensure Veterans are getting benefits they are entitled to; and provide referrals for those struggling with mental health, job, housing and addiction issues.

Over the last three years the Pasco Stand Down has assisted 474 homeless veterans and 983 at risk veterans.

The event aims to create a one-stop-shop by assembling services for veterans in one place. Registered veterans can stay overnight in a tent bivouac, and are provided with hot meals, showers and personal care, while given assistance with longer-term needs.

In addition to corporate sponsor and professional volunteers, additional general volunteers will be needed for set-up and to provide general assistance.

“The 2017 OCN Stand Down volunteer site is now open! If you would like to volunteer at the Stand Down again this year, please go to www.ocnstanddown.org and click on **Volunteer**. Each day has many different volunteer opportunities and time frames for you to choose from so please choose the one(s) you prefer.

“Thank you for your continued support of our local heroes!”
